Item No. 118.2

Deferred cases for Dahej -SEZ: - One

Item No. 118.02.01

M/s C S Performance Chemicals Pvt Ltd.-
Request for amendment of HSN code in existing
LoA.

M/s C S Performance Chemicals Pvt Ltd was issued LOA on 24.02.2009, as amended from time to time, for manufacture and export of "Fuel Dyes (Solvent Dyes) under chapter 32 of ITC (HS)" and has started commercial production from 03.07.2012.

M/s C S Performance Chemicals Pvt Ltd vide their letter dated 20.05.2024 requested for change of the product ITC (HS) code in LoA. The unit has informed that they have been manufacturing and exporting the product "Catalysts" to their overseas customer. This product is Organo Metallic Compound and as per chemical composition, the same was classified under HS Code 29310090 in the LOP, however as per it's actual use and application, being it a Catalysts by nature, the same more appropriately is classifiable under HS Code 38151900. They also informed that during discussion with their overseas customers and also with their technical team, they are emphasizing to include it under said HS code 38151900.

In view of the above, the unit has requested to amend the HSN code in the existing LoA as follows:

Name of the Product	Existing HSN code	New HSN Code
Catalysts	29310090	38151900

The case was put up in 117th UAC Meeting held on 03.06.2024, the Approval Committee after detailed discussion unanimously deferred the request and sent the proposal to Specified Officer, Dahej SEZ for examination and their comments. The SO, Dahej vide their letter dated 20.06.2024 informed that the rate of duty is same on both ITC(HS) codes and also informed that under the present scheme and as per the SEZ Act/Rule, the era is of self-declaration and self -assessment. The unit has been given full liberty to declare their goods and classify the same under the true head. In case of any mis-adventure or false declaration the onus is upon the unit, for the same they have also submitted their BLUT. SO, Dahej also informed that this office has no objection regarding change in HSN code by the unit as there is no duty angle or liability with such change.

In view of this the unit is working and exporting from the SEZ, the Approval Committee may kindly like to accord its approval for amendment of the ITC (HS) code in existing Letter of Approval. Hence, the matter is once again placed before the Approval Committee for consideration and suitable decision.

Item No. 118.3

Sir,

Sub: Broad banding of LoA to include additional items

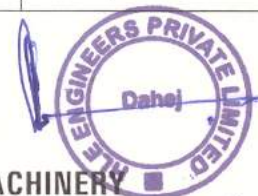

Ref: (1) LoA No. DAHEJ-SEZ/II/002/2015-16 dated 15/10/2015

This is further to our application letter No.HLE/2023-24/LoA/Trading/123 dated 4th September 2023 and subsequent application for additional products vides reference No. HLE/2023-24/LoA/Trading/231 dated 11th September 2023 & application reference no. HLE/2023-24/LoA/Trading/423 dated 20th March 2024.

However, the product addition is not approved till going for this correspondence. In view of the cut throat competition from China, survival of pesticides manufacturers in India is at stake. We are reeling under a bad phase and in order to cope up with the situation we have to accept orders from overseas customer may be in small packs sizes also.

We request your office to kindly endorse the below mentioned additional products in our LoA for broad banding.

Once the products are endorsed in our LoA, we will accept the purchase order from customers and commence the export of aforementioned products to US and Europe or other countries as the case may be.

China's unfair competitive practice of selling their goods in foreign countries at a price lower than their domestic price and this deluge of China's exports affected Indian manufacturing companies. Considering the business scenario, we request the Unit Approval Committee for addition of the above products for trading activities in our Letter of Approval in terms of rule 19(2) of the SEZ rules, 2006 subject to terms and conditions.
