

Agenda for 111th meeting of Unit Approval Committee for Dahej SEZ to be held on Wednesday 07th June, 2023 at 12:00 Hrs hours through Webex Video Conferencing under the Chairpersonship of Shri Vijay Kumar, ITS, Senior Development Commissioner, Dahej SEZ.

111.1 Fresh cases for unit in Dahej -SEZ: - NIL

111.2 Deferred cases for Dahej -SEZ: - NIL

111.3 Other cases for Dahej - SEZ:-

Sr. No.	Name of Applicant/Unit	Proposal/Request for
1.	M/s. C S Specialty Chemicals Pvt Ltd, Plot No. Z/81&82	Application for change of the product ITC (HS) Code in LoA.
2.	M/s. Oil and Natural Gas Corporation Ltd C2-C3, Dahej SEZ.	Request of M/s. Oil and Natural Gas Corporation Ltd, C2-C3 Plant for seeking In-Principle approval for exit cum de-notification from Dahej-SEZ.

Item No. 111.3

Other cases for unit in Dahej -SEZ:-

Item No. 111.03.01 M/s. C S Specialty Chemicals Pvt Ltd, Plot No. Z/81 & 82
Application for change of the product ITC(HS) code in existing LoA.

M/s C S Specialty Chemicals Pvt Ltd, Plot No. Z/81 & 82 was issued Letter of Approval dated 01.11.2018, as amended from time to time, for setting up a unit in Dahej SEZ to manufacture and export of items under chapter 29 of ITC (HS) code. The unit started their commercial production from 24.03.2020.

Now, M/s C S Specialty Chemicals Pvt Ltd, Plot No. Z/81 & 82, vide their letter dated 17.05.2023 requested for change of the product ITC(HS) code in LoA. The unit have been manufacturing and exporting the product "DONOR A- ETHYL-2-ETHOXY ETHYL CARBONATE to Japan. Now their Japanese customer has requested to classify the said product under ITC (HS) Code 29209000, as according to them, HS Code 29209000 is appropriate. The details of the said product and ITC(HS) is as under:-

Details of the said product with existing ITC(HS) in LoA.

Sr No.	Item of Manufacture	ITC(HS) Code in the existing LoA	Request for ITC(HS) Code change in the existing LoA
1	DONOR A- ETHYL-2-ETHOXY ETHYL CARBONATE	29091990	29209000

As the unit is working and exporting from the SEZ, the Approval Committee may kindly like to accord approval for change of the ITC (HS) in existing Letter of Approval. Hence, the matter is placed before the Approval Committee for consideration and suitable decision.

Item No. 111.03.02

M/s. Oil and Natural Gas Corporation Ltd C2-C3

Request of M/s. Oil and Natural Gas Corporation Ltd, C2-C3 Plant for seeking In-Principle approval for exit cum de-notification from Dahej-SEZ.

M/s Oil and Natural Gas Corporation Ltd, C2C3 Project, Dahej SEZ, was issued Letter of Approval No. KASEZ/P&C/6/09/06-07/12924 dated 06.03.2007. The unit has commenced commercial production w.e.f. 17.07.2015.

M/s Oil and Natural Gas Corporation Ltd. C2C3 Project, (hereinafter referred to as Unit) have applied for seeking in-principle approval for exit cum de-notification from Dahej SEZ vide letter dated 02.07.2019. The unit has set up a plant to manufacture Ethane C2, Propane C3, Butane C4 and Lean LNG in the Special Economic Zone, Dahej, Gujarat. The unit extracts C2-C3 mix from LNG procured by it and provides the extracted mix to the OPaL SEZ unit through the pipelines installed between the units. Cent percent feed produced by the unit (ONGC C2-C3 Plant) is supplied to OPaL SEZ Unit. Given the current economic condition OPaL SEZ unit intended to conduct business exclusively in DTA and therefore, is under process of Exit from Dahej SEZ. Considering the above scenario and due to reason briefly mentioned in the subsequent para, the unit intends to exit from Dahej SEZ and continue operation as unit in Domestic Tariff Area (DTA).

Production of the unit is mostly supplied as feed to OPaL unit for further production of only other polymer product such as HDPE, LLDPE, PP. Thus, continuing as a SEZ unit and supplying majority production to OPaL, DTA unit would not be viable in terms of fulfillment of NFE criteria as per SEZ law.

Rule 74 in The Special Economic Zones Rules, 2006.

74. Exit of Units :-

- (1) The unit may opt out of Special Economic Zone with the approval of the Development Commissioner and such exit shall be subject to payment of applicable duties on the imported or indigenous capital goods, raw materials, components, consumables, spares and finished goods in stock: Provided that if the unit has not achieved positive Net Foreign Exchange, the exit shall be subject to penalty that may be imposed under the Foreign Trade (Development and Regulation), Act, 1992.
- (2) The following conditions shall apply on the exit of the Unit, namely:-
 - (i) Penalty imposed by the competent authority would be paid and in case an appeal against an order-imposing penalty is pending, exit shall be considered, if the unit has obtained a stay order from competent authority and has furnished a Bank Guarantee for the penalty adjudicated by the appropriate authority unless the appellate authority makes a specific order exempting the Unit from this requirement;

(ii) In case the Unit has failed to fulfill the terms and conditions of the Letter of Approval and penal proceedings are to be taken up or are in process, a legal undertaking for payment of penalties, that may be imposed, shall be executed with the Development Commissioner;

(iii) The Unit shall continue to be treated a Unit till the date of final exit.

- (3) In the event of a gems and jewellery unit ceasing its operation, gold and other precious metals, alloys, gem and other materials available for manufacture of jewellery shall be handed over to an agency nominated by the Central Government at a price to be determined by that agency.
- (4) Development Commissioner may permit a Unit, as one time option, to exit from Special Economic Zone on payment of duty on capital goods under the prevailing Export Promotion Capital Goods Scheme under the Foreign Trade Policy subject to the Unit satisfying the eligibility criteria under that Scheme.
- (5) Depreciation norms for capital goods shall be as given in sub-rule (1) of rule 49.
- (6) The Unit opting out from Special Economic Zone shall execute a legal undertaking in Form L.

In view of the above, for exit of a Unit from SEZ first of all its duty liability in respect of all items given under Clause (1) of the Rule 74 is required to be ascertained for which the Specified Officer, Dahej SEZ was requested to ascertain the provisional duty liability of the Unit. In response, the Specified Officer, Dahej SEZ vide letter F. No. DSEZ/Cus/62/C2C3/Exit/2020-21/2054 dated 20.12.2022 submitted Calculation of Provisional Duty Liability of ONGC C2 C3 (Dahej Plant) upto June-2022. The provisional amount of duties payable as on June-2022 has been calculated based on the data / information submitted by the unit. It is pertinent to mention that all the figures have been calculated upto 30.06.2022 which are provisional and subject to further depreciation in the value of capital goods and available quantity of unused raw material, consumables, spares, etc. on the day of final exit.

M/s. Oil and Natural Gas Corporation Ltd. have vide letter dated 15.02.2023 informed that the unit will not be opting for EPCG Scheme, instead the unit will be going for Duty payment on Capital Goods. Capital Goods received in ONGC C2-C3 Plant as on 15th January, 2023 has been updated and the provisional calculation for duties payable on Capital Goods as on 15th January, 2023 and imported Assets have also been submitted with the letter dated 15.02.2023.

Further, Rule 74(1) also provides that a penalty is required to be imposed in case positive NFE has not been achieved by the Unit. In the instant case, the Unit has achieved positive NFE for the year 2020-21 and 2021-22 of Second Block of Five Years.

Further as per Rules 74(6), the Unit has submitted Legal Undertaking in Form L for exit from SEZ vide letter dated 26.04.2023.

M/s. Dahej SEZ Limited, Developer of Dahej SEZ have vide letter no. DSL/GIDC/GM/PROJ/ONGC/ALT/PLT/AR:1/11/2020/724 dated 04.07.2020 issued NOC to M/s. ONGC Ltd. C2-C3 Plant for exit from Dahej SEZ subject to payment of all requisite charges by ONGC in this regard which will be intimated separately.

Specified Officer, Dahej SEZ has vide letter no. DSEZ/Cus/36/OPAL-Exit/20-21/112 dated 03.05.2023 submitted that Dahej SEZ area shall be demarcated / separated from C2-C3 Plant from all sides and post exit, all the movements of C2-C3 shall be in their own de-notified area through approach roads, insulating the unit from Dahej SEZ. It is also seen that post de-notification, C2-C3 Plant's separate entry & exit would not affect any SEZ related activity, as it would be completely separated from Dahej SEZ with a concrete boundary wall and there would not be common / shared area.

Thus, the matter is placed before the Approval Committee for consideration of granting In-Principle approval for exit cum de-notification from Dahej-SEZ to M/s. Oil and Natural Gas Corporation Ltd, C2-C3 Plant

Respected Sir,

Sub. : Request for change of the product ITC (HS) code in LOA.
Ref. : LOA No. DAHEJ-SEZ/II/020/2018-19 dated 01.11.2018, valid till 23.03.2025.

We, CS Specialty Chemicals Pvt. Ltd., having LOA No. DAHEJ-SEZ/II/020/2018-19 dated 01.11.2018, valid till 23.03.2025, situated at Plot No. Z/81/82, Dahej Special Economic Zone, District Bharuch – 395 130 are an SEZ unit, engaged in manufacturing and export of Chemicals & Allied Products (Organic Chemicals) falling under Chapter 29 of ITC (HS).

We hereby bring to your kind notice that we have been manufacturing and exporting the product “DONOR A – ETHYL-2-ETHOXY ETHYL CARBONATE” to Japan under ITC (HS) Code 29091990. Now our Japanese customer has requested us to classify the said product under ITC (HS) Code “29209000”, as according to them, HS Code “29209000” is appropriate. As can be seen, the Tariff Heading and product category remains the same.

Here we find it pertinent to mention that this HS Code change is requested only for ease of doing business with our Japanese customer as the ITC (HS) Code “29209000” is required by them (although the Tariff Heading is the same). Please note that the product characteristics and chemical composition in both the ITCs is more or less the same.

In view of the above, it is requested that the ITC (HS) Code of the Product “DONOR A – ETHYL-2-ETHOXY ETHYL CARBONATE” may kindly be changed and replaced from “29091990” to “29209000” as finished goods in our LOA and oblige.

Thanking You,
Yours Faithfully,
For CS Specialty Chemicals Pvt. Ltd.

NO. ONGC/BDA/C2C3/Marketing/2022/02

Date: 15.02.2023

Sub: Request for In-principle approval to ONGC C2C3 Dahej Plant for exit from Dahej SEZ.

Ref: 1) ONGC, C2-C3 Dahej Plant's applications/letters:

- i) Dated 02nd July' 2019, requesting Development commissioner, Dahej SEZ for In-principle approval for SEZ exit.
- ii) Dated 16th July'2020, intimating receipt of NOC from DSL and request for providing In-principle approval.
- iii) Dated 28th Sept'2020, 30th Nov'2020-Submission of Form-L, 02nd Dec'2020, 20th Jan'2021 and 17th June'2021 providing desired inputs and seeking In-principle approval.

2) NOC received from DSL vide letter no. DSL/GIDC/GM/PROJ/ONGC/ALT/PLT/AR:1/11/ 2020/ 724 dated 04th July'2020.

3) Letters dated 19.12.2022 vide F. No. DSEZ/Cus/62/C2-C3/Exit/2020-21 issued from SO-Dahej SEZ to DC-Dahej SEZ, Ahmedabad conveying provisional duty liability of C2-C3 Dahej Plant, ONGC upto June-2022.

Dear Sir,

1. With reference to above, it is submitted that ONGC, C2-C3 Dahej Plant has requested for In-principle approval for SEZ exit in line with application of ONGC Petro additions Limited (OPaL). Meanwhile as you may be aware, OPaL (SEZ unit) has already received In-principle approval for exit from Dahej SEZ consequent to 98th meeting of Unit Approval Committee held on 5th Nov'2020 and subsequently OPaL has initiated process of de-notification with DSL.
2. In the process of SEZ exit, ONGC C2-C3 Dahej Plant had submitted Duty computation up to June'2022 in stages to Dahej SEZ Custom office and accordingly the Provisional Duty Liability up to June'2022 was calculated and conveyed to your office from Dahej SEZ-Custom vide Letter F. No. DSEZ/Cus/62/C2-C3/Exit/2020-21 dated 19.12.2022.

Further, as advised by your kind office, the following information/clarification are submitted for your kind consideration please:

- (i) ONGC, C2-C3 Dahej Plant will not be opting for EPCG scheme, instead we will be going for Duty Payment on Capital Goods.
- (ii) Capital Goods received in ONGC C2-C3 Dahej Plant as on 15th Jan'2023 has been updated and the provisional calculation for duties payable on Capital Goods as on 15th Jan'2023 and Immovable Assets is attached as Annexure-1.

O/O. DAHEJ SEZ OFFICE

- (iii) ONGC C2-C3 Dahej Plant intends to exit SEZ along with OPaL and we have been informed by OPaL that they have communicated to your kind office about 31st March 2023 as the Cut-off date for De-notification / Final Exit of OPaL. Therefore, similar to OPaL, we convey **31st March 2023** as the Cut-off date for De-notification / Final Exit of ONGC C2-C3 Dahej Plant. Accordingly, the cut-off date for duty payment on our inventory will be 31st March 2023.
- (iv) The Map for separate entry/exit route is attached as **Annexure-2**. The photographs of the route showing status is attached herewith as **Annexure-3**.

In view of above, it is requested to please provide "In-principle approval" for SEZ exit to enable ONGC, C2-C3 Dahej Plant to proceed further with DSL for de-notification process so as to exit from SEZ simultaneously along with OPaL.

Thanking you,
Yours faithfully,

FORM OF LEGAL UNDERTAKING FOR EXIT OF THE UNIT FROM SPECIAL ECONOMIC ZONE SCHEME

(See rule 74(6))

M/s. Oil and Natural Gas Corporation Limited, C2-C3 Project, Dahej were granted Letter of Approval/Letter of Permission No. KASEZ/P&C/6/09/06-07/12924 dated 06/03/2007, as renewed from time to time, for setting up a Special Economic Zone Unit at Dahej SEZ for the manufacture and export of Ethane C2, Propane C3, Butane C4, Lean LNG subject inter-alia to the condition that they would achieve positive Net Foreign Exchange on cumulative basis as per provisions of Special Economic Zone Scheme.

The unit filed a legal undertaking as per rule 22 of Special Economic Zone Rules, 2006 in Form H of Special Economic Zone Scheme on 19/03/2007 as updated from time to time with the president of India through the Development Commissioner, Dahej Special Economic Zone for achieving the above mentioned commitments.

As against the above commitments, the unit's actual performance has been as under:-

Year	Import (Rs. In Lakh)	Export (Rs. In Lakh)
	Capital Goods, Raw Materials, and others	
2015-16	65,688.84	23,277.24
2016-17	1,09,052.46	1,22,130.57
2017-18	70,175.19	1,89,363.20
2018-19	1,57,856.91	2,45,512.36
2019-20	1,86,114.96	2,50,025.07
2020-21	1,36,369.00	2,09,541.49
2021-22	2,39,025.68	2,77,936.73

The unit applied for exit from the Special Economic Zone Scheme which was subject inter-alia to the condition that penalty imposed by appropriate Authority under the Foreign Trade (Development & Regulations) Act, 1992 (22 of 1992) for non-fulfilment of the conditions of approvals would be paid.

In view of the approval for exit, We, Oil and Natural Gas Corporation Limited, C2-C3 Project, Dahej hereby undertake as under:

(i) That We, Oil and Natural Gas Corporation Limited, C2-C3 Project, Dahej shall pay whatever penalties are imposed by the Development Commissioner under Foreign Trade (Development & Regulations) Act, 1992 (22 of 1992) for non-fulfilment of the terms and conditions of Letter of Approval/Letter of Permission.

(ii) That We, Oil and Natural Gas Corporation Limited, C2-C3 Project, Dahej shall pay tax/duty along-with interest, if any, if found available for the unit mentioned above, shall be paid to any statutory agency without any demur or protest within the time frame specified in this regard.

(iii) That We, Oil and Natural Gas Corporation Limited, C2-C3 Project, Dahej shall adhere to the mode of payment of penalties, if any, and time frame in which penalties are required to be paid to the Development Commissioner without any demur or protest.

Sir,

Sub.- Request of M/s. ONGC C2C3 Plant for exit from Dahej SEZ - Reg.

With reference to the mail dtd 21.04.2023, issued by your office, I undersigned, along with Shri Ashish Sarathe, Appraiser and Shri Sudhanshu Tyagi, Preventive Officer, DSEZ, Dahej and Shri Bhavin Pancholi & Shri Chirag Limbachiya both Site Engineer, DSL visited and inspected the site of area proposed for exit from DSEZ in presence of Shri P L Thakur, General Manager Production, ONGC.

Please refer inspection report vide letter from even file number dtd 30.06.2021. The detailed report is herein below for information and necessary action at your end -

REPORT REGARDING VISIT OF PREMISES OF ONGC C2C3 PLANT IN DAHEJ SEZ PART-II IN RESPECT OF ITS PROPOSED EXIT FROM DAHEJ SEZ

- (1) ONGC C2C3 Plant is a Liquefied Natural Gas (LNG) processing plant which is situated on Plot No 7/D inside Dahej SEZ Part-II. The Unit receives LNG from M/s. Petronet LNG Ltd (PLL), located outside Dahej SEZ in DTA, through pipeline in cryogenic liquid form.
- (2) It is seen that the Unit is located at the Western boundary of Dahej SEZ Part-II and separated by a boundary wall from the GIDC Road falling just outside the SEZ boundary wall; on the other side of GIDC Road in DTA there is boundary wall of PLL who supplies LNG to the Unit through pipelines. On the Eastern side of the Unit there is 30 meter wide road of Dahej SEZ Part-II along with a 5 meter wide corridor covered with the Eastern boundary wall of Dahej SEZ Part-II isolating it from GIDC road in Luvara Village which is on the other side (outside) of the Eastern boundary wall. On the Northern side of the Unit there is 35 Meter wide corridor inside SEZ which separates it from the manufacturing plant of M/s. Torrent Pharma. C2C3 Unit has an entry/exit gate which opens in this corridor. Upon exit Unit would use this corridor for connecting with the Western side GIDC road and there would be an approach road from Western GIDC road to the gate of Unit.
- (3) Earlier vide letter dtd 30.06.2021, the Unit has observed that there were two options for providing it separate Entry/Exit to isolate it from Dahej SEZ on exit. These were namely Options-1 at the Western side of the Plant and Options-2 at the Eastern side of the Plant (as per map attached). Later, Option-1 was opted by the unit.

Option-1: A separate entry may be provided to the Unit from, GIDC road and external patrolling road of Petronet LNG Ltd (PLL) along with Northern

35 Meter wide corridor (which currently separates C2C3 and Torrent Pharma; as stated by the officers of C2C3, they are in deliberations with the PLL to shift their boundary wall in, in order to broaden the existing GIDC Road making it an approach road from West to North-West side, which would be used as entry/exit corridor by them post exit from SEZ. As stated by C2C3 officers, they have carried out a survey in this regard and submitted a layout plan to DC office.

Now, the construction of the approach road, passing through 35 Meter wide corridor which will connect the unit with the GIDC road, is in advance stage and expected to be completed in one-two month(s) (as informed by the Unit).

(4) As regards use of Utilities/services of DSL post exit, it is seen that the Unit shall continue to use following utilities/ services of DSL on payment of ROU (Right to Use) charges, after approval of concerned authority-

- (i) Product pipelines from C2C3 Plant to OPaL - C2, C3 & C4 product pipelines of 10", 6" and 6" size respectively have been laid underground in the Dahej SEZ Pipeline corridor connecting SEZ-I & SEZ-II.
- (ii) Raw water supply from GIDC - GIDC, a co-developer of DSEZ, is supplying raw water from its existing network in the DSEZ. C2C3 Plant will continue to take raw water from existing network.
- (iii) 220KV electric power - C2C3 Plant is drawing 220KV power from GETCO through overhead HT transmission lines passing through the power corridor of GETCO/DSL, they will continue to draw power from it.
- (iv) Storm water drainage - It is connected with the common storm water drainage of DSEZ. C2C3 Plant will continue to use it.
- (v) BSNL Lease line-It is laid underground in the Dahej SEZ, C2C3 Plant will continue to use it.

(5) As regards to revenue implications, it is seen that major part of their produce is supplied to OPaL which is another SEZ entity but now has been given in principle approval for exit from DSEZ and the process of their exit from DSEZ is underway. C2C3 works as a feeder plant for OPaL and there is no direct export of their products out of India, therefore, there would not be any implication on the foreign exchange earnings, however GST revenue shall increase as there would not be any exemption for supply of C2, C3, C4 to OPaL in case both i.e. C2C3 and OPaL are denotified/Exit. As far as revenue from DTA sales is concerned, C2C3 sells LPG in DTA that too in little quantity; moreover, there is NIL Customs Duty on LPG and only 5% IGST is collected thereon, therefore, there would not be any negative impact on revenue from sale of LPG.

(6) On the basis of observations made at site, it seems that the DSEZ area shall be demarcated / separated from C2C3 from all sides and post exit, all the movements of C2C3 shall be in their own de-notified area through approach roads, proposed as Option-1 above, isolating the Unit from DSEZ. It is also seen that post de-notification, C2C3's separate entry & exit would not affect any SEZ related activity, as it would be completely separated from Dahej SEZ with a concrete boundary wall and there would not be any common/shared area.

Yours faithfully,

(Mohan Singh Parmar)
Specified Officer

Enclosures:- As above.
